Steel Adjustable Single 24 In. x 36 In. Shelf Cart With Mold-On-Rubber Casters 2,000 Lb. Capacity Blue

MODEL AHC-1-2436-MR

Industrial Carts & Dollies / Height Adjustable Steel Shelf Carts

PRODUCT OVERVIEW

An adjustable height cart provides a broad selection of height variations. Adjust ability of the cart allows the working height to be tailored to better fit individual needs. The platform has a range that spans from 33"-41" in height. With a tall handle bar the user can maintain safe control and stability throughout movement. Two swivel and two rigid casters give the cart its dynamic mobility.

KEY FEATURES

- Open design allows loading/unloading from three sides
- Incremental height changes
- Single shelf design
- Mold on rubber wheels
