Recycled Plastic Landmark Backed Bench 96 In. Black Legs and Cedar Seat

MODEL BEN-PLMB-96-BKCD

Facilities Maintenance / Park Benches - Recycled Plastic

PRODUCT OVERVIEW

Get the look of a traditional bench at an economic price. Made entirely of 100% post-consumer recycled plastic, sustainability, quality and comfort are combined in a maintenance free bench. It will never need scraping, staining, painting or storage and stands up to the harshest weather mother nature can dish out. Also available is permanent installation hardware, or engrave a message on the back boards (contact factory for details).Heavy duty, sturdy and durable are trademarks of the landmark 8' bench. Made in America of 100% post-consumer recycled plastic, it has a generous seat of 2" x 6" planks and a wide 2" x 10"blackboard. Make a statement with this sustainable and eco-friendly addition to your landscape! Permanent installation available sepa...
