Cast Steel Bollard Chain Cap Retro-Fit 5-1/2 In. Silver

MODEL BOL-CC-5.5-RF

Protective Barriers / Bollard Chain Caps

PRODUCT OVERVIEW

Upgrade your plastic bollard cap to a robust steel version. This steel cap fits easily onto existing bollards. The cap is notched to accept a chain or other barrier like device. A black plastic cap (not included) can be placed onto the top of the cast steel cap for a more complete, rounded appearance. Set screw is included for a quick installation and immediate use.

KEY FEATURES

- Lightweight design
- Compact and simple to handle
- Several chain slots for variation
- Cast steel for strength in a variety of conditions
