Stainless Steel Left Mount Hand Operated Floor Lock 10 to 12 In. Height Silver

MODEL FL-LK-SMR-SS-L

Facilities Maintenance / General Purpose Floor Locks

PRODUCT OVERVIEW

A general purpose Floor Lock may be used on platform trucks, fixture dollies, or equipment with casters. Lock is activated when you use your hand to lower the large friction face against the floor. To release, simply release the rod by hand. Brake is independent of casters and can be installed to any convenient location on the cart. Vertical mounting plate designed to mount to sides of carts and other portable products. The spring loaded pad accommodates uneven floors. Unit mounts with pad off the floor when retracted.

KEY FEATURES

- Spring loaded pad accommodates uneven floors
- Downward pressure immobilizes equipment
- Simple hand operation
- Independent brake system can be installed to any convenient location on the cart
