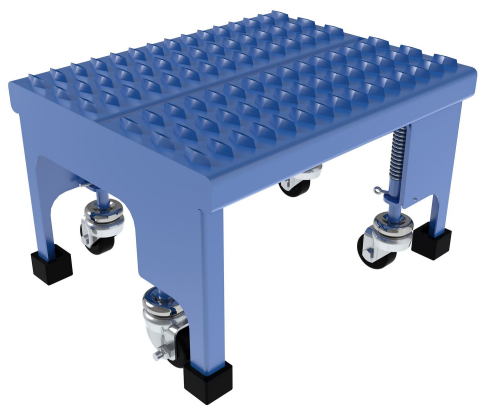
Steel Standard Slope Ladder No Handrail 58 Degree 1 Grip Strut 16-13/16 In. Step Width 350 Lb. Capacity Blue

MODEL LAD-PW-18-1-G-NHR

Industrial Ladders / Standard Slope Ladders



PRODUCT OVERVIEW

The single step standard slope ladder is a portable warehouse ladder for every-day use applications. Grip strut steps, no handrail and welded square tubular steel construction with powder-coat blue finish. Rubber feet provided for floor protection. Unit has (2) two all directional spring-loaded swivel casters and (2) swivel casters with total locks. Ships fully assembled and ready to use.

KEY FEATURES

- Portable design easily moves through the warehouse
- Top tread design provides a safe non-slip grip
- Bottom step caster lock provides added safety when climbing
- Heavy-duty formed steel construction offers maximum strength
