

Welded Steel Expanded Metal Security Cart 30 In. x 60 In. 2,000 Lb. Capacity Gray Semi Gloss

MODEL SCW-XM-3060-GYSG

Industrial Carts & Dollies / Welded Security Cart

PRODUCT OVERVIEW

A welded security cart is a durable way to secure goods. The two shelf design, one upper shelf and one bottom platform, gives the user space and options of item placement. The distance between the two shelves allows items both big and small to be protected inside the cart. A hinged door lets the door swing for simpler loading and unloading.

KEY FEATURES

- Four glass filled nylon casters
- Single pushing handle
- Expanded metal construction
- Powder coated gray
