MODEL FDS-SCP-TAN

Industrial Carts & Dollies / Floating Dock System

Product image unavailable

PRODUCT OVERVIEW

A floating dock connector pin is an important piece of the overall dock system. This pin allows the user to join floating dock blocks together and shape the dock to fit the users' needs. With a sleek design, the pin fits snuggly into the connector port for a secure connection between blocks.

KEY FEATURES

- Provides a smooth transition between blocks
- Textured surface for sure grip
- Polyurethane construction
- Colored design for visibility
