Steel Low Profile Floor Scale 120 In. x 96 In. 20,000 Lb. Capacity Black

MODEL VLPFS-20

Packaging Equipment / Low Profile Floor Scales

PRODUCT OVERVIEW

The Low Profile floor scale is ideal for shipping and receiving areas. Industrial grade heavy duty mild steel platform scale ensures durability that will withstand years of daily use. Features an anti-slip rugged steel diamond plate surface with heavy duty welded channel support. Scale has a powder coat finish and can be pit mounted or free standing. It also has adjustable leveling feet standard and operator controls for zero, tare, unit, net/gross and print. Unit converts to pounds or kilograms with a deluxe indicator.

KEY FEATURES

- Low profile design is ideal for shipping & receiving areas
- Diamond tread plate surface is anti-slip
- Heavy duty construction provides long lasting use
- Powder-coat black provides a durable finish
