Steel Removable High Profile Rack Guard 48 In. x 24 In. Yellow

MODEL HPRO-RF-48-24-4

Protective Barriers / Surface Mounted Removable High Profile Machinery Guards & Low Profile Rack Guards

PRODUCT OVERVIEW

The surface-mounted steel base plates allow for quick and easy removal of this High Profile machinery guard. May be used either indoors or outdoors. Steel base plates are bolted in place. Guard is easily inserted into base plates then locked into place. Base plate includes four (4) pre-drilled mounting holes. Welded steel construction with yellow powder coat finish.

KEY FEATURES

- Surface-mounted steel base plates allow for quick & easy guard removal
- Guard is easily inserted into base plates then locked into place
- Four pre-drilled mounting holes in base plate allow quick lag down installation
- Heavy-duty welded steel construction protects racks, building walls, expensive equipment, and hundreds of other applications
