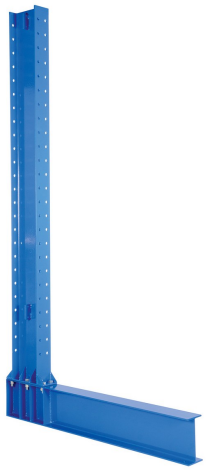
Steel Single Sided Cantilever Upright with 24 In. Arms 10 Ft. 21,500 Lb. Capacity Blue

MODEL HU-C-10-24

Storage Solutions / Heavy-Duty Cantilever Racking



PRODUCT OVERVIEW

The Heavy Duty Cantilever rack single-sided upright is completely adjustable for application specific design flexibility. Long, welded stock is handled quickly and efficiently by forklift; instant accessibility to one (1) piece or a full load. Arms are adjustable up and down the length of the upright. To adjust, align arms with pre-drilled holes and bolt in (hardware included). All arms feature lips to prevent product from falling off. Uprights and arms are sold each, not in pairs. Custom rack systems can be designed for your special application.

KEY FEATURES

- Upright design is completely adjustable for application specific design flexibility
- Arms feature lips to prevent product from falling off
- Arms are adjustable up and down the length of the upright
- Heavy duty design easily handles high capacities
