Aluminum High Duty Stock Picker Truck with Steel Ladder 22 In x 48 In 500 Lb. Capacity

MODEL SPA-HD-2248

Industrial Carts & Dollies / Hi-Duty & Hi-Frame Stockpicker Trucks

PRODUCT OVERVIEW

Improve your order fulfillment efficiency by using the stock picker cart with ladder. Designed for warehouse environments, this aluminum stock picking truck features a durable multi-shelf platform and an integrated steel ladder for easy access to elevated items. The lightweight yet rugged construction allows for smooth maneuverability while supporting heavy loads, making it ideal for picking, packing, and restocking products.

KEY FEATURES

- Spring loaded ladder for safe climbing and loading
- Non-skid step surface
- Raised shelf edges limit product movement
- Three shelf design
