Welded Wire Mesh 10 Ft. x 10 Ft. 4 Sides With Sliding Door With Ceiling Driver/Trucker Cage Gray

MODEL WPC-10X10-4C

Facilities Maintenance / Wire Cages

PRODUCT OVERVIEW

Modular system offers security, storage, and safety for many applications. Stackable panel design allows for easy installation and results in a clean finish, putting this system above the rest. Using wire partitions can save in inventory costs, are a more economical alternative to modular offices and drywall, and can increase safety- all benefits to your business.

KEY FEATURES

- Strong construction for strength and durability
- Sliding door for easy entrance
- Locking design for added security
- Welded mesh design gives visibility to enclosed inventory
